

HEALTHY FARMING & ENVIRONMENT REFERENCE GUIDE

LANDHOLDER SERIES
PROPERTY PLANNING GUIDE

This guide provides a list of detailed references for land owners and land managers and also supports NRM South's Land Holder Series fact sheets and guides.

SOIL & WATER MANAGEMENT

Cotching B. 2009. *Soil health. For Farming in Tasmania*. Bill Cotching

Drainage Information Package, Bastick CH and Cotching WEDPIF Tasmania 1996.

Jacobsen C, Keith K, Kamel T, 1992, *Understanding Soil Ecosystem Relationships*, Dept of Primary Industries, Queensland Government.

McDonald D, Rodgers D, 2010, *Soils Alive! Understanding and Managing Soil Biology on Tasmanian Farm*. Dept of Primary Industries, Tasmanian Government

Bill Cotching's website on soil health research:

<http://www.billcotching.com/soilhealthresearch.htm>

Link to soil health management plan: http://vro.dpi.vic.gov.au/dpi/vro/vrosite.nsf/pages/soilhealth_mgt_plan

Healthy Soils Australia (HSA) is a not for profit volunteer organisation concerned with reconnecting healthy soil and human health: <http://www.healthysoils.com.au/index.html>

This website can be a useful tool in understanding soil health, compare your soil data and examine soil relationships:

www.soilquality.org.au

Soil care is an organisation with some great resources on soil health and soil function and includes the soil health assessment guide for farmers

'The Soil Health Card': <http://www.soilcare.org/>

Soils for Life Program is a Registered Environmental Organisation with the principal purpose of enhancing Australia's natural environment with a focus on the Australian rural landscape. The website contains a wealth of information on managing soils: <http://www.soilsforlife.org.au/>

The Soil Atlas 2015 presents global facts and figures about earth, land and fields: <http://globalsoilweek.org/soilatlas-2015>

If you want to measure the in-field microbial activity on your property have a look at: www.microbesmart.com.au

Grose C.J. (Ed) 1999, *Land Capability Handbook. Guidelines for the Classification of Agricultural Land in Tasmania*. Second Edition, Department of Primary Industries, Water and Environment, Tasmania, Australia

Ralph C. Heath. 2004. *Basic Ground-Water Hydrology*. University of North Carolina.

How to Avoid Dam Construction Failures DPI – Victoria: <http://www.depi.vic.gov.au/agriculture-and-food/farm-management/soil-and-water/water/farm-water-solutions/how-much-water-is-available/how-to-avoid-dam-construction-failures>

FarmPoint - best water management practices on farms: <http://www.farmpoint.tas.gov.au/farmpoint.nsf/Water/EB0363AD4D376B11CA2572EC007DEED3>

National Guidelines for Water Quality DPIPWE: <http://dPIPWE.tas.gov.au/water/water-monitoring-and-assessment/water-monitoring/surface-water-quality/water-quality-guidelines>

PASTURE & GRAZING

Adelaide and Mount Lofty Ranges NRM Board, 2011. Best practice land management guidelines for small grazing properties:

www.naturalresources.sa.gov.au

MLA and pasture management: <http://www.mla.com.au/Livestock-production/Grazing-and-pasture-management>

MLA and how to use a pasture ruler factsheet: <http://www.mla.com.au/News-and-resources/Publication-details?pubid=1879>

www.evergraze.com.au

<http://www.savoryinstitute.com/>

NRM South's guide to planned grazing: <http://www.nrmsouth.org.au>

<http://regenag.com/web/>

How to improve pasture palatability: <http://www.daff.qld.gov.au/animal-industries/dairy/feed-and-nutrition/feed-requirements-and-forage-quality>

Native grasslands and their management: <http://www.stipa.com.au/>

Perennial forage shrubs providing profitable and sustainable grazing. Key practical findings from the ENRICH projects. Future Farm Industries CRC: www.futurefarmonline.com.au

Julius Ruechel 'Grass Fed Cattle: How to Produce and Market Natural Beef' (Storey Publishing 2006). Really well written, comprehensive guide (Reuchel is based in Yukon Territory, Canada).

GRAZING NATIVE PASTURES IN TASMANIA. *Managing kangaroo grass pastures*. Land, Water & Wool (LWW) is a joint investment between the wool industries': http://www.wool.com/Content/en-GB/lww_Veg_Grazing-native-pastures-kangaroo-grass1.pdf

Lane P, Morris D, Shannon G, *Common grasses of Tasmania: an agriculturalists' guide*. Tasmanian Environment Centre Inc, Hobart.

Lamp CA, Forbes SJ, Cade JW, 2001, *Grasses of Temperate Australia A Field Guide Revised Edition*, Blooming Books

Knox J. 2009. *The glove-box guide to grass and legume identification in Tasmanian pastures*. DPIPWE

Mokany K, Friend D, Kirkpatrick J and Gilfedder L, *Managing Tasmanian Native Pastures - a technical guide for graziers*

Native grasses guide and fact sheet:

<http://www.dpipwe.tas.gov.au/inter.nsf/publications/ljem-6sa3ht?open>

Glove Box guide to pasture grasses and legumes:

<http://www.nrmnorth.org.au/client-assets/documents/small-farm-living/Soil%20Pasture%20Health/Pasture/Glove%20-box%20guide%20to%20grass%20and%20legumes.pdf>

Using indicator species as a guide for managing Tasmanian native pastures – poster, Land, Water & Wool (LWW)

Tasmanian Pasture and Forage Pests. Identification, biology and control:

<http://dpipwe.tas.gov.au/Documents/Pasture-Pests-Book-final.pdf>

LIVESTOCK AND ANIMAL HUSBANDRY

National Livestock Identification System (NLIS) information including Property Identification Code (PIC):

1300 368 550 or visit <http://dpipwe.tas.gov.au/agriculture/animal-industries/identifying-selling-moving-livestock/about-livestock-identification>

Reporting signs of emergency animal disease: DPIPWE hotline number **1800 675 888**

Information on animal welfare guidelines and snapshot guides for most domesticated animals: www.farmpoint.tas.gov.au

Sheep Connect Tasmania website - Newsletters, producer case studies, disease factsheets, and upcoming events:

<http://www.tia.tas.edu.au/centres/extensive-agriculture-centre/d-and-e/development-and-extension/sheepconnect/>

<http://sheepconnecttas.com.au/disease-factsheets/>

Meat and livestock Australia: <http://www.mla.com.au/>

<http://www.animalhealthaustralia.com.au/>

<http://www.livestockwelfare.com/>

Dry Sheep Equivalent for comparing different classes of livestock:

www.agronomy.com.au/download/dseratings.pdf

MLA rainfall to pasture growth outlook tool:

<http://www.mla.com.au/News-and-resources/Tools-and-calculators/Rainfall-to-pasture-growth-outlook-tool>

Pastures from space:

http://www.pasturesfromspace.csiro.au/map/pgr_mapservice.asp

<http://www.makingmorefromsheep.com.au/>

BIOLOGICAL AND ORGANIC FARMING & PERMACULTURE

Sustainable Living Tasmania has a great library resource including information on permaculture and organic farming:

<http://www.sustainablelivingtasmania.org.au/>

<http://permaculture.com.au/online/>

Organic crop protectants: <http://www.ocp.com.au/>

Organic livestock production & marketing. Robyn Neeson Organic Farming Liaison Officer, Farming Systems Research. Yanco: www.dpi.nsw.gov.au

Zimmer GF. *The Biological Farmer: A complete guide to the sustainable & profitable biological system of farming*.

Zimmer GF, Zimmer-Durand L. *Advancing Biological Farming: practicing mineralized balanced agriculture to improve soils and crops*.

Brunett J. *The Farm as Ecosystem: Tapping Natures reservoir – biology, geology, diversity*.

Norton D, Reid N. 2013. *Nature and farming. Sustainable Native Biodiversity in Agricultural Landscapes*. CSIRO.

REVEGETATION, CARBON FARMING & AGROFORESTRY

Private Forests Tasmania provide support to land owners to establish and manage forests on private land and have a wealth of information on their website including factsheets and tool kits: <http://www.pft.tas.gov.au/>

This easy to navigate web site aims to help landowners learn more about carbon farming and the Emissions Reduction Fund:
<http://www.mycfi.com.au/>

Carbon Farmers Of Australia: <http://www.carbonfarmersofaustralia.com.au/About/what-is-carbon-farming>

Agroforestry - Rowan Reid's Master Tree Grower publications: http://www.agroforestry.net.au/main.asp?_=publications

A 'how to' guide for establishing native plants from seed or seedlings:
<http://nrmonline.nrm.gov.au/downloads/mql:1550/content>

Revegetation guide from Greening Australia:
<http://www.environment.nsw.gov.au/resources/cpp/Revegetation.pdf>

A Revegetation Guide for Eucalypt Woodlands. Publication available from Greening Australia

Guide to planting shelterbelts:
<http://egln.org.au/wp-content/uploads/2012/12/Practical-guides-shelterbelt.pdf>

Long-stem Planting Guide:
<http://www.environment.nsw.gov.au/resources/grants/longstemguide.pdf>

BUSINESS PLANNING & MARKETING

Enterprise Connect: www.enterpriseconnect.gov.au

Business Tasmania: www.business.tas.gov.au
